Use of Library Resources in Social Science Research,
December 17-20, 2018, at
M. P. Institute of Social Science Research, Ujjain

MPISSR

October 26, 2018

Dear Colleagues,

We are pleased to inform you that the M. P. Institute of Social Science Research, Ujjain, is organizing a **Training Workshop on the Application of Information Technology and Use of Library Resources in Social Science Research, December 17-20, 2018, at M. P. Institute of Social Science Research, Ujjain.**

The workshop will focus on the renewed role of libraries in promoting information resources in social sciences. In view of the ICSSR's emphasis on training and skill development of participants in the country, this workshop will serve the purpose of providing effective information services to the wider network of social science researchers in India. The focus of the workshop will be on computer and internet facilities and their application, Concepts and importance of Research, Open Source Softwares, Bibliometric Analysis, Content Analysis and Citation Analysis, Anti-Plagiarism, Institutional Repositories, Information Technology, Retrieval Techniques and Methods, E-resources in social science research.

Participants to this workshop will be candidates working as a librarian, researchers in social sciences, and information managers of research institutions in India. There is no Course Fee. For outstation participants, only sleeper class T.A. will be reimbursed on the production of ticket. The participants will be provided with free lodging and boarding. The selected out station participants will be accommodated in the MPISSR Guest House, Ujjain. A separate request is to be made in the registration form for accommodation.

We invite applications in the prescribed format **latest by November 25, 2018**. Only shortlisted applicants will be communicated for participation.

Director
MPISSR, Ujjain
